### Linked Articles

#### Article 24 Health and Health Services

Every child has the right to the best possible health. Governments must provide good quality health care, clean water, nutritious food, and a clean environment and education on health and well-being so that children can stay healthy.

#### Article 33 Drug Abuse

Governments must protect children from the illegal use of drugs and from being involved in the production or distribution of drugs.

## EXPLORING ARTICLES 24 & 33

*People use medicines, vaccines and drugs for lots of different positive reasons. What reasons can you think of?*

# EXPLORING ARTICLES 24 & 33

## Did you think of these?

- To treat an illness.
- To protect them from infection and possible illness.
- To make sure they get the right vitamins.
- To help them sleep better.
- To feel relief from pain.
- To help treat serious mental ill-health
- To protect them from allergies or allergic reaction

## What else did you think of?

## EXPLORING ARTICLES 24 & 33

There are lots of people, things and actions that help us to stay healthy or get better when we are unwell or injured.

Let's create a list of these and add this to our RRSA display

**What can you think of?**

# Home Challenge

Think about the different ways you keep healthy.  
**Create a poster** to share in school promoting  
the benefits of your favourite activity.

Can you also link this to your rights?

# REFLECTION

- Think about a time when you were unwell.
- Who supported you during this time?
- Reflect on all the people and resources that helped you recover and the importance of your right to healthcare.
